Dorothy Thompson reported that the insurance has been paid and the account has been paid for the 2013 tax return. The club paid \$0 taxes this year.

There was a brief discussion on the issue of the Masaryktown grounds due to the list of banned persons that was sent to club presidents of clubs that hold events on the grounds.

Becky reported that she is considering not attempting to hold the November trial due to the issues with the grounds and the fact that last year's trial was cancelled due to lack of entries.

Becky will follow up with Sue Harrison concerning the October hunt test.

Due to time constraints the meeting was very brief.

The next meeting will be held at the Central Florida fun day the end of September pending approval by the Central Florida Club.

Meeting adjourned
