**Unfinished Business**

Discussed off site storage of the "gator", possibly at Al Luthers as he has covered area we could rent to keep gator out of the weather etc. It was decided that the Gator could be rented to other Clubs for functions for \$35.00 per day. The renters would also be responsible for replacing whatever gas was used. Engine hours will be logged in the book at the end of each day/time of use. Money made from renting the Gator will be put into an escrow account to cover maintenance & repairs.

New Business

**Upcoming events** - Cheryl and Pearce are on track with the March Hunt tests at M town, and Becky is trying to get the trail at the forest in February worked out.

**AKC Judging Seminar**- Discussed holding hunt test and field trial seminars with other clubs (CF Brittany club, and Vizsla club) Pearce to look in to locations. Noted that they no longer do field work so land is not an issue.

Discussed the need for more training days to boost interest in field events.

The Mid FL Brittany club has plans to purchase 2 park benches to honor Len Hutto and Tonja Pittman to be placed on the grounds at M town. Requesting donations from club members/clubs. Discussion on if the club would like to donate. There was talk of a Memorial Stake being run for them such as a "Len Hutto Stake" or "Nancy Rhoden Stake". Also, mention was made of a "Family Day" or "Founders Day" as a tribute to members who were no longer with us. The weekend of April 2nd or similar days when there were no scheduled events for Masaryktown were put forth as tentative dates. Will

discuss and vote at next meeting.

Next meeting will be held at the Specialty Show at Ocala in January
